- 4 angles, 3 sizes
- for footholds, small holds, crimps

# FLUX

NEW:  
FLANGELESS  
MACROS

**FLUX**  
33 holds

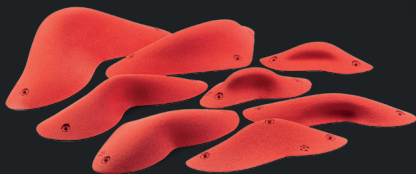

**FLUX**  
7 macros

- our first flangeless macros
- clean look, durable fixing points

# BIRDIES

## BIRDIES

39 holds

## BIRDS EXPANSION

7 new macros

- smaller Bird macros
- Perfect complement to the existing macros and the new holds

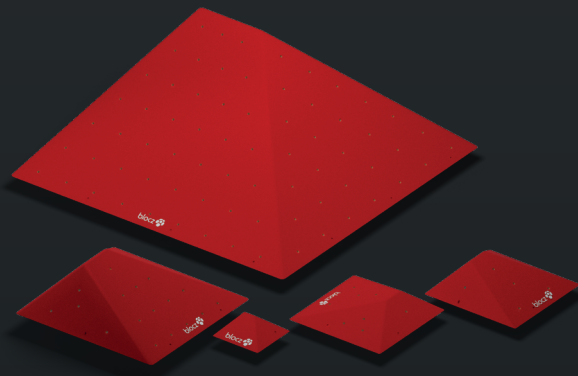

# SQUARES

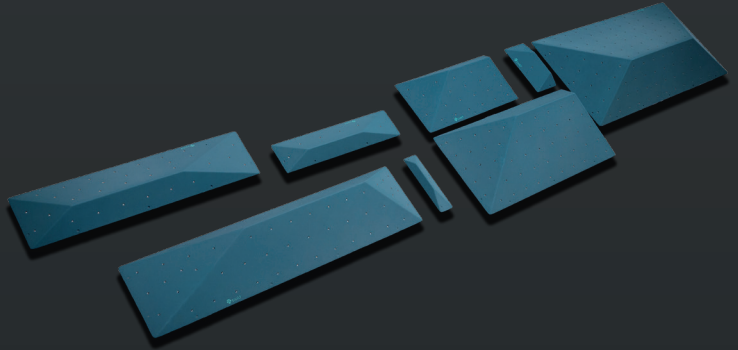

From **hand-sized to 7 m<sup>2</sup>**, these redesigned shapes offer **four angles**, flatter profiles, and a scalable edge system for seamless wall combinations. Playful, flexible, and full of possibilities.

As always: customizable with your choice of color, multi-color options, or your own logo.

# RECTANGLES

Just like the Squares, the new Blocz Rectangles are more versatile than ever: 8 volumes, new angle combinations, and **normal** or **wide variants**. Designed for climbing and bouldering gyms: From flat to steep, from easy to challenging. Perfect for narrow wall areas – the slimmest volume is just 12 cm wide.

# UPCYCLING

GIVE YOUR HOLDS, MACROS  
AND VOLUMES A SECOND LIFE
